

Avoiding NTSB Stardom - WINGS Credit

What three items do the airlines, military, and corporate aviation use in all aspects of their business? Please welcome, Mr. Armand Vilches, as he answers this, and many other questions. We'll explore aviation tips, tricks, and tactics, to help us stay on the 'Right Side of the Grass'. We'll also discuss why General Aviation is not as safe, as we believe. We'll offer solutions to help us improve our collective safety record, while decreasing our own chances of becoming an NTSB statistic.

Directions: Forum Plaza #4 1130am to 1245pm

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
